

Promotion

These terms and conditions cover the myphotobook promotion when buying an Intuos tablet ('Promotion') produced by Wacom Europe GmbH, Europark Fichtenhain A9, 47807 Krefeld, Germany ('Wacom').

1. The Promotion is available to all end users ('End User') resident in and with an address for delivery in the European Union (with the exception of Malta, Cyprus, the Canary Islands and the French Overseas Départements), Norway and Switzerland, who purchase a new Wacom Intuos product — Intuos Pen (CTL-480S), Intuos Pen & Touch S (CTH-480S), Intuos Pen & Touch M (CTH-680S), Intuos Manga (CTH-480M) ('Intuos') — from a participating retailer or the Wacom eStore in the period between **15th May 2014 and 30th September 2014** ('Purchasing Period').

How do I take part?

2. In order to receive the credit code, after buying his new Intuos, the End User must register it within the Purchasing Period at www.wacom.eu/register.

The registration must be completed in full by **15th October 2014** ('Registration Period'). Registration includes giving personal contact data and a valid email address for the End User, as well as entering the serial number of the new Intuos.

3. After correct completion of the registration information within the Registration Period, the End User will receive a confirmation of registration containing his personal credit code. This credit code is not transferable to any other person.

The credit code entitles the End User to redeem his credit on the website operated by myphotobook GmbH, Oranienstr. 183, 10999 Berlin at **myphotobook.eu**. The credit is worth 25.00 euro. It can be redeemed once only per person until **31/12/2014** ('Redemption Period') at myphotobook.eu for any (1) product from the entire product range. A cash payout or combination with other rebates or credit is not possible.

The credit can be redeemed by carrying out the following steps when ordering one (1) product:

- a. Simply downloading free software from myphotobook.eu.
- b. Selecting favourite photographs and designing, say, a photograph album.
- c. Enter the credit code when placing the order.

Overview

4. The credit code can be used only in the way stated. A claim for redemption of the credit is valid only if the End User has complied with the quoted periods — the Purchasing Period, the Registration Period and the Redemption Period.

5. Wacom will use the personal data entered by him exclusively for actions in conjunction with the purchase of the Intuos and the fulfilment of our Promotion, while observing the German Data Protection Act, unless the End User has given his consent to other uses of his data.

6. Wacom does not accept any responsibility or liability for delayed or incorrect registrations by the End User, lost credit codes or incorrect redemption of the credit, regardless of whether this has been caused by technical or personal reasons, unless the cause is exclusively in Wacom's area of responsibility.

7. Wacom reserves the right to cancel and/or change the Promotion unilaterally.

8. Should any term of the Promotion or these conditions be or become completely or partially ineffective, then this will not affect the effectiveness of the remaining conditions. Instead of the ineffective conditions, a condition that is legally permissible and has as nearly as possible the effect desired of the ineffective condition shall apply.

9. The Promotion is subject to the law of the Federal Republic of Germany.
